(1948) Department

MS SERIES.

G.O. NO. 5575

Dated 10-11-48

[Despatch Abstract.]

Land Requisition Esst. of a Regional Research Station at Walleya Requisition land - Jaffna

INDUSTRIES AND COMMERCE DEPARTMENT.

No. D.2-5532/48 dated 25-9-48.

From

The Joint Director of Industries and Commerce, Madras.

To

The Secretary to Government, Development Department, Madras.

Sir,

Sub: Industries- Sericulture- Establishment of a Regional Sericulture Research station at Kollegal- Acquisition of lands- Proposals.

Ref: Government memo No.38320-ADI/48 Dev. d/21-7-47 and this office memo No.D.2/4292/48 dated 14-9-48.

It is necessary that early steps are taken to acquire suitable lands for the construction and establishment of staff quarters and mulberry gardens for the proposed Regional Research Station at Kollegal. The Sericultural Expert has inspected several plots of lands close to the Government Central Silk Farm, Kollegal and found that a plot of land near the Honnu Halla stream is suitable for the purpose. The entire land covers an extent of 15.29 acres as detailed below*. The approximate cost of the land will be Rs.500/- per acre according to the information gathered from the village officers.

I request that Government may be pleased to sanction the acquisition of this plot of land early. As necessary provision for incurring expenditure has already been made in revised Estimate for 1948-49, ~~and hence~~ urgent action has to be taken to complete the acquisition proceedings, so that payment of compensation etc., can be made, before the close of the current financial year. I also request that Government may be pleased to instruct the Collector of Coimbatore to take necessary steps to acquire the lands early and place it at the disposal of the Sericultural section of this Department.

for JOINT DIRECTOR OF INDUSTRIES & COMMERCE.
